

Department 0012Faculty-ID # .0026Date 4-11-02STUDENT EVALUATION OF BLOCKS OF LECTURES
COMMENTS

Topic: _____

Faculty member strengths: She answered questions despite being antagonized by other faculty members in class, one of which was very disrespectful in a comment he made to her.

Suggestions for improvement:

She should make the lecture material more concise. Studying her information was like reading a novel.

Additional comments:

She needs more practice for teaching, and also guidance on how to present info.

Student Status: MD Student PhD Student X Other Learner
